## TOMAS PALMA SEES PRESIDENT.

Intended as a Mark of Respect to Cuba's Leader.

DINED AT THE WHITE HOUSE

Actual Date of Transference of Island Conference at War Department in Regard to Cuban Affairs.

Washington, March 24 .- Tomas Estrada Palma, president-elect of Cuba, met President Roosevelt in his official capacity for the first time this evening, when the former was the guest of honor at an informal dinner at the White House. The affair was intended as a mark of courtesy to Presidentelect Palma, who expressed his high appreciation of the honor shown him. The others present were Mrs. Rooseveit, Secretary and Mrs. Root, Minister and Mrs. Beliamy Storer, Gen. Leonard Wood and Gonzales DeQuesada and Dlego Tamayo, well known Cubans, who came over from New York this

While the affair was largely of a social character the prospective transfer of Cuba from the Americans to the new government provided for by the recent constitutional convention was

The actual date of the transfer of the government, it is said, has not been definitely decided upon. The date been tentatively fixed as May the officials of this governmen have believed it could be accomplished by that fime. More recently, however t has become apparent that for various reasons there may have to be postponement of the transfer to a date later in the month, say the 10th, or the 20th, more likely the later date. It was expected that this matter would be determined at the gathering to-night, but it is said that the question emains unsettled except that the

Palma and his companions will Mr. Palma and his companions with remain here for some days, their stay depending entirely upon the wishes of the president, who will consult the Cuban president-elect further before he leaves for his new duties. Mr. Palma will go from here to New York and thence about the middle of Apri to Cuba, proceeding first to Santiago province, where there are relatives and friends whom he desires to visit before the inauguration.

CONFERENCE AT WAR DEPART-MENT. Washington, March 24 .-- An impor

tant conference was held at the war department this afternoon between Secy. Root and Gen. Wood, military mor of Cuba, in regard to Cuban affairs. It is understood that it related ainly to legislation necessary to pu the new Cuban republic on a sound commercial basis at the outset of its career. Gen. Wood has expressed the opinion that the proposed 20 per cent reduction on Cuban imports will not afford the desired relief to Cuba. He is endeavoring to secure more liberal conressions for the island. he plan for Gen. Wood to mee

President-elect Palma in New York next Wednesday has been abandoned. President Palma will come to Washing ton and have a personal meeting with Gen. Wood and the president regarding the election of the officers of the It is expected that Secy.

According to the present program Senor Palma will be duly installed in the presidential office on the first of May and a portion of the United State army will remain on the island after that date as long as their presence may be necessary to preserve peace and good order and perfect the final details of the transfer. It is not known at this time how long the troops will rebut it is stated that they will all be withdrawn as soon as the nev rnment is in successful operation and able to proceed without out Gen. Wood also discussed Cuban af-

fairs with the president today. Sena-tors Platt, Hale, Spooner and Quay dropped in during the conference and gave their views on the subject.

## Forced to Put in at Bermuda.

New York, March 25 .- With her cos and water supplies almost exhausted the steamer Nord America has arrived here. She had been forced to put into Bermuda on her way from Genoa and much to the relief of her 42 rabin and 1,300 steerage passengers who had lived for days in fear of disaster. Among the passengers was Frederick

ROYAL Baking Powder is indispensable to the preparation of the finest cake, hot-breads, rolls and muffins.

> Housekeepers are sometimes importuned to buy other powders because they are "cheap."

Housekeepers should stop and think. If such powders are lower priced, are they not inferior?

The Chron-icle asks what might happen if they could reekon on America's friendliness

r even neutrality in the far east. To Test Tea Act of March, 1897.

New York, March 25 .- Suit has been rought in the United States circuit court against the collector of this port for the purpose of contesting the contitutionality of the tea act of March , 1897, and also the validity of ruling of the secretary of the treasury whether teas can be prohibited from import, apart from any consideration of either

their purity or wholesomeness or fitness for consumption.

In conjunction with this suit a number of importers have commenced action in the state courts to recover all

It is claimed that the act as construed by the department is a vola-tion of the Constitution for the reason that it delegates to the secretary of he treasury and a board of seven tea experts selected by him, the power to determine what the drinking qualities of tea imported shall be, entirely in respective of either their genuinenes or wholesomeness. It is also claimed that the act destroys, without due process of law, property and also the natural right and libertles which every citizen of the United States has to engage in any trade which does not encroach

To Tax Foreign Corporations.

Albany, N. Y., March 25,-The Krum bill taxing foreign corporations doing business in the state of New York has passed the senate. The bill imposes a tax of one mill upon each dollar of the assets of a corporation having a cap-ital of less than \$3,000,000 unless the dividend exceed 4 per cent, in which case one-sixteenth of a mill is added for each per cent of dividend. If the capital stock equals or exceeds \$3,000,000 it is to be taxed upno the full amount of its capital stock in the following manner: A tax at the rate of \$1,000 on each million of the first three ratios. lion for the first three million \$500 for each additional million to \$5,000,000 and \$50 a million for each additional million.

Iowa Legislature Blunders.

Des Moines, Iowa, March 25.-It has beeen discovered that the house has been concurring in senate amendments stead of roll call. This is held to inval-date all bills so passed, and those of them that have been signed by the gov-ernor will have to be repassed, resigned and re-published. Four have been dis-covered and the journal is being carefully inspected to correct the error.. The requirement of a roll call is constitutional so that the defect would be vital Big Land Deal in California.

Redding, Cal., March 25 .- A land deal has just been consummated in Plumas and Tehama counties by which Pennsylvania capitalists have secured sixty housand acres of timber land. It is an nounced that they will form a company or the marketing of the lumber from for the marketing of the lumber from this vast tract and will spend \$2,000,000 before the plant is completed. One of the principal items of expense will be the building of a broad gauge steam railroad nearly 50 miles in length to reach the main line of the Southern Pa-cific. The men to whom the land has been deeded for \$450,000 are T. D. Collins and J. C. Curtis. and J. C. Curtis.

amination April 15 in this city, for the position of assistant matron in the Indian service, at a salary of \$500; also, April 23, for the position of preparator in the division of Stratigraphic pale-ontology in the hatural museum, at \$60 per month; also, for the position of aid in the division of physical and chemical geology in the natural museum at \$100 per month; also, public document cata-loguer at \$3 per day in the government

NOT FOR DEMOCRATS.

Mayor Thompson Decides Assistant Chief Should be a Republican.

Mayor Thompson has decided to turn down the appointment of Charles E. Wood as assistant fire chief of the fire department. The appointment was made by Chief Devine, and on last Tuesday evening, the city council confirmed the chief's choice. It was then passed up to the mayor who has decided that, as Wood is not a Republican, he will not confirm his appointment. The mayor thinks that there are competent men in the Republican party who should receive the appointment. ty who should receive the appointment Chief Devine regrets the action of the mayor very much, as Wood has been a faithful and efficient member of the department for years. He says that this is the first appointment that has been turned down during his administration.
